In Memorial
Clara F. Fraser

Born — November 9, 1902

Died — January 26, 1988

This Town Report is dedicated to a person who volunteered in many ways to serve both Town Government and many local organizations. Although she was not native born, Clara's dedication to her community was a lifetime commitment.

Born in Somerville, Massachusetts, Clara married Cecil E. Fraser, Dean of the Harvard Business School. After her retirement from the position of Registrar at Emerson College, Clara, widowed many years prior, moved to Rindge with her longtime friend, Dorothy Campbell. Their lovely home on Poole Pond is one of the four remaining one-room schoolhouses in Rindge.

Many people remember Clara in her capacity as Planning Board Secretary. From the inception of Zoning until her retirement from the Board in 1985, Clara guided the Board's ever-increasing activities. That job is performed today by a Secretary, Clerk, and a part-time professional planner.

Others remember Clara's dedication to the Rindge Historical Society, as both Secretary and Treasurer, and her love of the museum and Rindge's history. Clara served the Board of Directors of the Society for many years and was also an Honorary member. She was also active in the Rindge Woman's Club and the Rindge Congregational Church.

A quiet, thoughtful, and intelligent lady, she served the Town in many capacities. We shall miss her.

BUDGET COMMITTEE REPORT

The Budget Committee is in general agreement with the Town Budget.

The 8.9% increase is mostly made up of 7% Town Employees salary increases, estimated increase in the Solid Waste contract, a full time Recreation Director and expanded recreation activities and finally Town Office Expenses.

The increase on Tax Anticipation Notes, is probably under budgeted,but a long term solution can only be addressed by Semi-Annual Collection of Taxes.

The largest dollar increase, the Highway Projects, will only get worse in the future as the costs and quantity of roads to maintain continue to rise. The projects this year will be:

-Rand Road to the Railroad Tracks
-Complete Middle Winchendon Road
-Woodbound Road to Davis Crossing

These projects total 2.7 miles even thought the Road Agent calculates that we should be doing 5 to 7 miles a year to keep all the roads up to par.

Respectfully submitted

REPORT OF THE ROAD AGENT

December 31, 1988

1988 Highway Department major summer projects were as follows:

1) Old Ashburnham Road from Route 119 to the Massachusetts line. Pavement grinding and paving 7,200 feet.

2) Main Street from Route 119 to Payson Hill Road. Pavement grinding and paving approximately 4,000 feet.

3) Middle Winchendon Road from Route 202 to Lord Brook Road. Pavement grinding and paving approximately 2100 feet.

4) North street from North Street Bridge to Perry Road. Sealing 4,220 feet.

5) Pine Terrace: Sealing 600 feet.

The 1988 projects were a total of 3.43 miles. The Highway Department feels we should be doing between 5 and 7 miles per year. Doing this would mean we would average major reclaiming and paving work every 8 to 10 years per road, which is the most we can expect on our existing roads.

Hopefully,, we will be able to increase the dollar amount in the Highway Project account in future years to bring us closer to reality.

Respectfully Submitted,

Peter J. Anderson
Road Agent

INGALLS MEMORIAL LIBRARY
Report of the Trustees 1988

During the year, our possessions have been entered into the computer. We have been gradually increasing our video material, in response to greater use by the patrons. The growth of Rindge has made it necessary to anticipate a greater responsibility and to meet the increased requirements of the state and the state library association.

Our wonderful volunteers helped to keep things going during the search for a children's librarian.

REPORT OF THE LIBRARIAN

The trustees and staff welcomed Diane Gardenour as our new children's librarian. We were fortunate to find someone with so much experience coupled with a sincere love for children. Diane will be full-time after July 1st. Until then, please meet Diane at the library Tuesday evenings and Saturday mornings.

Kim Sands conducted a very successful summer library program for our juvenile readers. Prizes were awarded to the most avid readers and a pool party ended the program. Diane plans to initiate a similar program for the coming summer.

We missed the school classes coming to the library to check out recreational and research materials but we are still involved in R.E.A.P. research during the after-school hours, evenings and Saturday mornings.

In-library use of magazines and newspapers has increased. A comfortable area awaits those who enjoy relaxing as they keep up to date on current affairs. Our subscriptions include 44 magazines and 4 newspapers.

Among non-book services, we continue to offer the use of the meeting room, without charge, for local, nonprofit organizations and our excellent copier is a popular feature at the library.

The library is open 28 hours a week at the present time and more hours will be added as the town grows and the need arises.

Shirley Sawyer has done a terrific job in filling the gap created by the lack of a children's librarian, as have our volunteers: Claire Adams, Flossie Hastings, Hazel Killam, Barbara Nichols and Doris Thompson. We are deeply indebted to all.

I would like to end this report with my thanks to you for being extra-special patrons throughout the year.

THE RINDGE CONSERVATION COMMISSION

During 1988 the Rindge Conservation Commission (CC) reviewed 26 Dredge & Fill applications of which 6 involved wetlands violations. CC members attended Board of Adjustment and Planning Board meetings and site visits and advised these boards on conservation matters. Eleven additional sites were investigated in response to citizen requests or complaints.

CC members attended soils and site review workshops, Contoocook Greenway meetings, the State CC annual meeting and a NH Wetlands Board Hearing in Concord. Members also participated on the Trust for NH Land Task Force.

Jason Gorman and Glen Nicholas were selected to attend Youth Conservation Camp and received scholarships provided by Marge and Ed Stevens and the Monadnock Bank.

The CC commended Jim Weidner and Boy Scout Troop 306 for completing a conservation project at the Contoocook Marsh.

The Conservation Commission meets the fourth Wednesday of each month at 7 p.m. with the public invited to attend.

Annual Report of the Rindge Planning Board 1/19/89

The number of subdivisions in Rindge and the number of new lots created by subdivisions went down substantially from 1987 to 1988. The Planning Board approved 3 major and 7 minor subdivisions, creating 15 new lots, and five technical subdivisions with no new lots resulting. In addition, the Board approved one 34 unit Planned Unit Residential Development to be phased in over three years. Commercial and light industrial development also slowed in 1988, with the Board approving 6 site plans.

In 1988 the Planning Board held 43 meetings including site inspections. These meetings included 23 preliminary consultations, 11 hearings, 3 earth removal permits, 11 work meetings and 4 public hearings on proposed changes to Town ordinances and regulations. Two of the hearings were for zoning amendments and the Sign Ordinance which were adopted by Town Meeting 1988, and two were for proposed changes to the regulations governing Planned Unit Residential Developments. Through the Planning Board Assistance Program, the Southwest Region Planning Commission's personnel held an additional 44 preliminary consultations with applicants during 19 meetings at the Rindge Town Offices. The Board has found that the SRPC'S Planning Board Assistance Program has greatly expedited the review and approval process for both applicants and the Board. This year, various Board members attended training sessions covering growth management, impact fees, current land use legislation, waste recycling issues, and orientation for new Board members.

Town Meeting of 1988 adopted the Sign Ordinance proposed by the Board. The new ordinance, which is incorporated into the existing Zoning Ordinance, was drafted to help preserve the attractiveness of the town and to help the town deal fairly with continuing commercial development.

In an effort to minimize the fiscal impact of growth on the town, the Board successfully negotiated impact fees with the developer of the one large subdivision approved in 1988. Based on this experience, the Board feels that impact fees may be a useful tool to protect the Town's fiscal condition while being sensitive to the needs of developers.

A high priority for the Board is the rewriting of the Master Plan and the development of a capital improvements plan for the Town. Following an extensive data-gathering effort carried out over 1987 and 1988, the SRPC will have a draft of the new Master Plan by March 1989. The Board will then hold a number of public meetings to hear comments on the draft.

In March 1988, Deborah M. Jackson was elected and David M. Tower was reelected to three-year positions on the Board. Ms. Jackson later resigned and alternate Paul A. Susca was appointed to fill her position until town Meeting 1989. Bliss C. Ames was appointed as an alternate. The Board hired Sharon A. Doherty to help with secretarial duties.

They denied 6 variances, 1 wetlands special exception, and 2 appeals to administrative decisions. Three cases were rehearings, two cases were reapplications, 4 cases were continued until 1989 and one case was appealed to Superior Court.

Paula Smith and Robert Dufour were appointed alternates.

SELECTMEN'S REPORT

1988

The year 1988 was a successful one for the Town of Rindge. Some of the many projects were the paving of portions of Main Street, Old Ashburnham Road and Middle Winchendon Road. North and Pine Streets were sealed. We accepted one new road, Mountain View Drive, located in a new subdivision off Davis Crossing Road. With the assistance of the Ward Trust Fund and a welcome donation from the Rindge Women's Club, we were able to complete the much needed repairs to the Meeting House steeple and clock. This was done at minimal expense to the town and we are grateful for the many generous citizens and organizations in Rindge. We also purchased a new police cruiser, highway department grader, and painted the outside of the Town Office.

After numerous delays, The Department of Revenue Administration arrived in December of 1988 to begin the revaluation process. The conference room at the Town Offices is now their headquarters for most of 1989 until they complete the new assessment of property. We would like to thank several of the Town's Boards who regularly meet in that room for their cooperation in relocating temporarily. A great deal of preparatory work was necessary before the revaluation could begin and we would like to thank Carole Knight, Administrative Assistant, Joyce Webster, Bookkeeper, and Sharon Sheldon, Town Clerk/ Tax Collector, for the additional hours of work they willingly performed.

The Selectmen would like to recognize and thank the many volunteers who give of their time and talents unselfishly to make Rindge the great community that it is. After many years of work, the second volume of the Town History has been published. No small feat, it is the end result of diligent efforts by both the Rindge History Committee and the History Writing Committee. Alice Stearns and the Committee for the Bicentennial Celebration of the Constitution headed a patriotic program that spanned the last two years. A Recycling Committee was formed this year and you will find their report and recommendations included in this year's Town Report. In response to an outbreak of vandalism, a Neighborhood Watch was formed to assist in addressing that problem. We would also like to thank all Town Officers, Employees, Board and Committee Members, and Town Counsel for providing continuing service to the Town. There are many dedicated people that add to the quality of life in Rindge. We thank you all for your support and assistance, and our hope for continued efforts in the future.

Although the past year shows a lot of activity, we were spared many major incidents in town. However, some of our neighboring communities were not so fortunate and much of our time was spent assisting them. We are very lucky to belong to the Southwestern New Hampshire Fire Mutual Aid System. Without it, we would have to handle our own dispatching, provide more manpower than we do now and purchase more equipment and apparatus and still would not be as well off as we are now. Even though this past year we were out of town assisting, other years the opposite has been true.

At present, we have three immediate needs to be addressed:

1. As reported last year, we have a severe rusting problem with our 1976 attack pumper. Extra money was put into the capital reserve at the 1988 town meeting so we can address the problems this year.

2. Our forest fire truck, which was military surplus and owned by the state, developed serious mechanical problems and was returned to the state. Although owned by the State, the loan agreement stated that the town will be responsible for the repair and upkeep of the unit. Given the age of the truck (it was a 1952) and it's record of breaking as fast as we could fix it, a decision was made to return it. At the present time, we are without a truck to transport our forest fire fighting gear.

3. Our mutual aid system now operates on three radio frequencies for fire operations. The radios in our two attack pumpers have only two frequency capability. These radios are thirty years old and should be replaced with new dependable radios that are compatible with mutual aid.

We remind you to test your smoke detectors regularly and replace the batteries immediately when needed for your family's safety. The fire department wishes you a safe and healthy year.

The 21st century is around the corner: Law enforcement must prepare itself now for the challenges of tomorrow. We must use our skills and the tools available to us right now to outrun, outgun and outthink the criminals. Crime is not endemic to specific regions, states or localities, but affects our people as a whole. The fabric of our society, and the present and future quality of life in this country, depend heavily on our success or failure in the battle against crime.

It is ironic that in seeking answers for our current and future problems, we find our best guidance in the past rather than some newly discovered "Truth". Great thinkers of history have given us ample guidance on the human condition. The fact that many of us choose to ignore their advice does not diminish its quality, rather it reflects our arrogance. But, we must keep in mind that we are human, not divine. Our simple mission in life is to try and improve the conditions which we find in our personal lives and in our work to the best of our ability. Perhaps, we will not change the world significantly or with a dramatic flair; maybe it is enough to just change ourselves and the small world around us. Together, we can make a difference.

Sincerely,

David J. Collum, Chief
Rindge Police Department

RINDGE RECREATION DEPARTMENT

Annual Report for 1988

1988 proved to be a very challenging, exciting and productive year for the Recreation Department. We were pleased to have offered some 48 programs for residents of all ages and now have a part time recreation director whose office, located in the Town Office Building is open to the public on a regular basis.

Much of the department's energy during the past year has been directed towards developing new programs for all age groups and encouraging greater community involvement. Eight travel programs for adults and seniors plus five day trips were sponsored. Quilting, sewing, golf and oil painting classes were also offered. Several first time events such as our Halloween Art Contest, Mixed Doubles Tennis tournament, Breakfast With Santa and Holiday Cookie Swap were very successful. With the enthusiasm and assistance of students from Franklin Pierce College, the Recreation department also helped sponsor a Halloween Haunted House and Party. Also, during the holiday season, we were able to arrange home visits from Santa Claus to many area children.

We have continued to offer youth programs in soccer, tennis, basketball, baseball, swimming and skiing and have also helped to support the school soccer and basketball teams both financially and administratively.

In order to keep Townspeople better informed we now hope to be mailing each resident a schedule of upcoming programs and activities on a biannual basis. We encourage everyone to participate in and help support our programs and welcome anyone willing to volunteer their time, energy and/or ideas.

Finally, we thank all those community members and businesses who continue to express their support in various ways and the students and faculty of Franklin Pierce College for their increasing involvement in our programs. We look forward to 1989 and will continue to increase our efforts in helping to provide worthwhile and enjoyable experiences for all Rindge residents.

RINDGE RECYCLING COMMITTEE

Rindge, New Hampshire

After Town Meeting 1988 approved $20,000 for a start-up recycling program, the Selectmen asked the Committee to develop recommendations for a small voluntary recycling program at the present transfer station.

Committee members met with local waste handlers, visited area recycling operations, consulted with the New Hampshire Resource Recovery Association, attended various recycling workshops, and issued a report to the Selectmen in June. The report analyzed the Town's trash situation and made a number of recommendations aimed at (1) reducing the Town's share of trash disposal costs at the Winchendon landfill, (2) reducing the cost of scrap metal disposal, and (3) starting a low-cost recycling program. In addition, the Committee cleared the way for the Town's participation in a household hazardous waste disposal program.

The start-up newspaper and magazine recycling program recommended by the Committee in June would cost an estimated $6,000 to set up. However, it would not immediately save money under the Town's present landfill fee arrangement with Winchendon. The Committee recommended that the Selectmen investigate ways to restructure the Town's pricing arrangement with Winchendon to avoid paying dump fees for the amount of trash we recycle. If that could be achieved, the Committee expects the initial investment to pay for itself in 5 to 6 years (based on scrap paper prices at the end of 1988).

But even if landfill costs stayed the same, the Committee feels that such a small recycling operation would be a worthwhile investment to prepare for the day when disposal costs would be even higher and recycling would become economically necessary and would probably be required by state law. We also believe that a recycling program would have great educational value.

Further information on the Committee's report and recommendations may be made available by the Selectmen.

A Motion made by Mabel Speckman to waive the reading of the Warrant was seconded.

ARTICLE 1. TO HEAR AND ACT UPON THE REPORTS OF THE SELECTMEN, TOWN TREASURER, TOWN CLERK, OVERSEER OF WELFARE, AND REPORTS OF ALL AGENTS, COMMITTEES, AND OFFICERS HERETOFORE CHOSEN, AND ACT IN ANY WAY RELATING THERETO.

ARTICLE 1. A motion made by David Heikkinen was seconded, and it was voted to accept Article 1 as written.

ARTICLE 2. TO RAISE SUCH SUMS OF MONEY AS MAY BE NECESSARY TO DEFRAY TOWN CHARGES FOR THE ENSUING YEAR AND MAKE APPROPRIATIONS OF SAME.

ARTICLE 2. A motion made by John Walsh was seconded, and it was voted to raise the sum of $1,024,992.00 to defray Town Charges for the ensuing year. (See Itemized Budget at the end of these minutes.)

ARTICLE 3. TO SEE IF THE VOTERS WILL AUTHORIZE THE SELECTMEN AND TOWN TREASURER TO BORROW MONEY IN THE ANTICIPATION OF THE COLLECTION OF TAXES FOR THE CURRENT YEAR, AND TO ISSUE IN THE NAME OF THE TOWN NEGOTIABLE NOTES THEREFORE, SAID NOTES TO BE REPAID DURING THE CURRENT YEAR FROM TAXES COLLECTED DURING THE CURRENT YEAR.

ARTICLE 3. A motion made by Joseph Doherty was seconded, and it was voted to accept Article 3 as written.

ARTICLE 4. TO SEE IF THE TOWN WILL VOTE TO ALLOW A DISCOUNT OF 2% ON PROPERTY TAXES IF PAID WITHIN TEN (10) DAYS OF PRESENTATION OF BILL; AND 1% IF PAID WITHIN THIRTY (30) DAYS, AND THAT NO DISCOUNT BE ALLOWED ON PARTIAL PAYMENTS, AND THAT NO DISCOUNT BE ALLOWED AFTER THIRTY (30) DAYS FROM DATE OF BILL.

ARTICLE 4. A motion made by David Heikkinen was seconded, and it was voted to accept Article 4 as written.

ARTICLE 5. TO SEE IF THE TOWN WILL VOTE THAT THE SELECTMEN MAY ACCEPT ANY AND ALL LEGACIES, GIFTS, GRANTS AND SUBSIDIES TO THE TOWN IN TRUST OR OTHERWISE, BY ANY INDIVIDUAL OR INDIVIDUALS; AND TO FURTHER AUTHORIZE THAT THE FUNDS MAY BE EXPENDED FOR THE PURPOSE STATED, OR TAKE ANY OTHER ACTION RELATING THERETO.

ARTICLE 5. A motion made by John Walsh was seconded, and it was voted to accept Article 5 as written.

ARTICLE 6. TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE SELECTMEN TO SELL AT PUBLIC AUCTION PROPERTY ACQUIRED BY TAX SALE; AND TO DISPOSE OF OR SELL SURPLUS PERSONAL TOWN PROPERTY.

ARTICLE 6. A motion made by Joseph Doherty was seconded, and it was voted to accept Article 6 as written.

ARTICLE 7. TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $25,000.00 FOR THE PRINTING OF THE TOWN HISTORY.

ARTICLE 7. A motion made by John Walsh to accept this article as written was seconded. Ralph Hoyt, spokesman for the Historical Society explained that the work of the History Committee in compiling new data augmenting the History of Rindge was now complete and ready for print. The cost the print the Histories has been set at $35,000.00; $10,000.00 of this to be paid by the Historical Society and the remainder to be raised by

the article and repaid to the Town of Rindge from the proceeds of the sale of the books. The plans are to print 500 copies of the old history which cover through 1874, and 1000 copies of the new history covering 1875 to date. 500 Sets in slipcases will be sold, with the remaining 500 new histories to be sold as individual volumes. Prices for the volumes will be set by the Historical Society and the proceeds turned over to the Town, with a proposed starting date of May, 1988 and completion date of December, 1988.
Ed Stevens suggested subscriptions for the new work, to be paid in advance by those who wanted the volumes, rather than appropriating $25,000.00 and many voters were in agreement. Dale Thompson reminded voters of the impact on their tax rate by appropriating these funds. After lengthy discussion, Martha Jones' motion to move the question was seconded and carried. A vote was called for, and Article 7 was carried.

ARTICLE 8: TO SEE IF THE TOWN WILL VOTE TO CREATE A TOWN MANAGER COMMITTEE TO STUDY THE NECESSITY AND FEASIBILITY OF HIRING A TOWN MANAGER, AND TO FURTHER MAKE RECOMMENDATIONS REGARDING THE HIRING OF A TOWN MANAGER TO THE SELECTMEN AND TO REPORT TO THE TOWNSPEOPLE OF RINDGE AT THE 1989 TOWN MEETING. THE COMMITTEE WOULD CONSIST OF FIVE (5) PEOPLE TO BE APPOINTED BY THE SELECTMEN, PLUS ONE (1) SELECTMAN.

ARTICLE 8: A motion to accept this article as written was made by Joseph Doherty was seconded. Selectman Doherty stressed this was only a study, and not a solicitation to hire a manager. Kathryn Midlin questioned the expense of such a study and was advised that this article involved no appropriations. Steven Henrikson and Senator Jean White both felt this was not the time for a town manager, or even to study the possibilities, siting the recent experiences in neighboring towns of Jaffrey, NH and Winchendon, Mass. Craig Clark advised that state and federal regulations had become so burdensome, a study was a good idea and the report of the committee could be discussed next year. Selectman John Walsh advised that our current board has neither the longevity in office or the experience in municipal government to adequately run a "million dollar business" and felt the study would be beneficial. Laura Sullivan in appreciation of the hard work the Rindge Selectmen do, spoke in opposition to the article, saying "if it ain't broke, don't fix it." A motion to move the question made by Harry Groezinger was seconded and carried. A vote was called for, and Article 8 was defeated.

ARTICLE 9: TO SEE IF THE TOWN WILL RESCIND THE AUTHORIZATION GRANTED UNDER ARTICLE 10 OF THE 1987 WARRANT TO RAISE AND APPROPRIATE THE SUM OF $48,221.00 FOR THE PURPOSE OF A REASSESSMENT/REVALUATION IN 1988.

ARTICLE 9: A motion to accept this article as written was made by John Walsh was seconded. Selectman Walsh drew the voters attention to Article 10, and explained that since the State Department scheduled to perform the reassessment this year had

been delayed and was unable to do the work this year, it was necessary to rescind last years appropriation which carried a 1988 deadline for use of the funds, and reappropriate the money for use in the late 1980's.
It was voted to accept Article 9 as written.

ARTICLE 10: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $48,221.00 TO BE PLACED IN A CAPITAL RESERVE FUND ESTABLISHED FOR THE PURPOSE OF A REASSESSMENT/REVALUATION FOR THE TOWN IN THE LATE 1980'S AND TO AUTHORIZE THE USE OF THE DECEMBER 31, 1987 GENERAL FUND BALANCE FOR THIS PURPOSE.

ARTICLE 10: A motion to accept this article as written was made by John Walsh was seconded. Selectman Walsh referred back to Article 9, reminding voters that this is not an actual appropriation, but a transfer of already appropriated funds to a capital reserve account for our reassessment.
It was voted to accept Article 10 as written.

ARTICLE 11: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $10,000.00 TO BE PLACED IN THE CAPITAL RESERVE FUND ESTABLISHED FOR THE PURPOSE OF A REASSESSMENT/REVALUATION IN THE LATE 1980'S.

ARTICLE 11: A motion to accept this article as written was made by John Walsh was seconded. These additional funds are necessary to cover the increased cost of the reassessment due to the delays and also due to the additional properties which have been created as a result of the many new subdivisions. Any excess funds from this article will be returned to the General Fund after the reassessment.
It was voted to accept Article 11 as written.

ARTICLE 12: TO SEE IF THE TOWN WILL VOTE TO APPROPRIATE AND AUTHORIZE THE WITHDRAWAL FROM THE CAPITAL RESERVE FUND, ESTABLISHED FOR THIS PURPOSE, THE SUM OF $80,000.00 TOWARDS THE PURCHASE OF A HIGHWAY ROAD GRADER.

ARTICLE 12: A motion to accept this article as written was made by John Walsh and seconded. Lengthy discussion ensued relative to the town's need for this piece of equipment, and the capabilities of the present highway crew to operate it. Peter Anderson, Rindge Road Agent, advised that the present grader was no longer able to be repaired and he and his crew had in the neighborhood of 35 years (total) operating experience. Two local contractors, George Peck and Philip Stenerson, advised voters that this was an exceptional value and that since graders appreciate in worth, the town could conceivably trade it in in five to ten years for an amount comparable to what we are proposing to spend. A motion made by Walter Ketola to move the question was seconded and carried.
It was voted to accept Article 12 as written.

ARTICLE 13: TO SEE IF THE TOWN WILL VOTE TO APPROPRIATE AND AUTHORIZE THE WITHDRAWAL FROM THE REVENUE SHARING FUND THE SUM OF $3446.93 AND ANY INTEREST ACCUMULATED TO OFFSET THE COST OF THE HIGHWAY ROAD GRADER.

ARTICLE 13: A motion to accept this article as written was made by John Walsh and seconded. Selectman Walsh explained that this was the balance of monies left in the Revenue Sharing Account and must be expended or turned back to the government.
It was voted to accept Article 13 as written.

ARTICLE 14: TO SEE IF THE TOWN WILL VOTE TO APPROPRIATE AND AUTHORIZE THE WITHDRAWAL FROM THE CAPITAL RESERVE FUND ESTABLISHED FOR THIS PURPOSE, THE SUM OF $13,000.00 TOWARDS THE PURCHASE OF A POLICE CRUISER.

ARTICLE 14: A motion made by John Walsh to accept this article as written was seconded. David Collum, Chief of Police, explained that the mileage and condition of one of our existing cruisers made is unsafe for normal use but that it would be maintained as a third vehicle for the use of the department. Hjalmar Aho voiced opposition to the idea of a third cruiser and made a motion which was seconded to amend Article 14 to read: "To see if the Town will vote to appropriate and authorize the withdrawal from the Capital reserve Fund established for this purpose, the sum of $13,000.00 towards the purchase of a Police Cruiser and to trade in or sell as surplus town property the existing high-mileage cruiser."
It was voted to accept Article 14, as amended.

ARTICLE 15: TO SEE IF THE TOWN WILL VOTE TO INCREASE THE RATE OF PAY FOR TOWN OFFICIALS TO $5.00 PER HOUR AND TO RAISE AND APPROPRIATE THE SUM OF $5,000.00 TO IMPLEMENT SAID INCREASE IN WAGES.

ARTICLE 15: A motion made by John Walsh to accept this article as written was seconded. Selectman Walsh went on to say that the current hourly rate in $4.25 per hour and there has not been any increase in the last 6 years.
It was voted to accept Article 15 as written.

ARTICLE 16: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $800.00 FOR THE PURCHASE OF A POLICE RADAR UNIT.

ARTICLE 16: A motion made by John Walsh to accept this article as written was seconded. David Collum, Chief of Police, advised that this unit would be replacing an outdated, 1972 model, and that we would be receiving matching funds from the state. William Champion's request to see if the new unit could be programmed so that Rindge Residents would not be picked up on radar was met with laughter from sympathetic voters.
It was voted to accept Article 16 as written.

ARTICLE 17: TO SEE IF THE TOWN WILL VOTE TO ESTABLISH A CAPITAL RESERVE FUND FOR THE CONSTRUCTION OF A PUBLIC SAFETY BUILDING AND APPROPRIATE THE SUM OF $5,000.00 TOWARDS THIS PURPOSE.

ARTICLE 17: A motion made by John Walsh to accept this article as written was seconded. Selectman Walsh explained that these funds would be placed in a capital reserve fund for the purpose of building a new police station in the future, possibly five to ten years from now. Ed Pederson of the Fire Department spoke, saying it was his understanding that the Public Safety Buildings would be housing both Police and Fire Departments. This was never fully clarified by the selectmen.
It was voted to accept Article 17 as written.

JEAN BENSON ADDRESSED THE MODERATOR SEEKING CLARIFICATION ON THE VOICE VOTE OF ARTICLE 16, SAYING THAT FROM HER VANTAGE POINT IN THE HALL, IT SEEMED THAT IT WAS QUESTIONABLE AS TO WHETHER THE YESSES OR NOES HAD CARRIED THE VOTE.
HJALMAR AHO MADE A MOTION, WHICH WAS SECONDED TO RECONSIDER ARTICLE 16, AND ON A STANDING VOTE OF:

YES--70 NO--107

IT WAS VOTED NOT TO RECONSIDER THE ARTICLE 16.

ARTICLE 18: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY THOUSAND DOLLARS ($20,000.00) FOR A RECYCLING PROGRAM AND THE CONSTRUCTION OF SHEDS RELATED THERETO.

ARTICLE 18: A motion made by John Walsh to accept this article as written was seconded. Selectman Walsh advised that a voluntary recycling program could save the Town as much as 45% in the solid waste disposal costs. He advised that the money must be appropriated before the program could begin, that the Town of Wilton would be contacted for guidance as their recycling program is one of the best run in the state, and that any receipts from this program would be turned over to the General Fund. Ed Stevens felt that a program of this nature would require a full time manager at the transfer site. Dale Thompson suggested amending the article to set the funds in a capital reserve fund and explore all the long range possibilities before expending the monies. A motion by David Blackall to move the question was seconded and carried.
Dale Thompson's motion to amend the article was defeated.
Jean White made a motion which was seconded to amend the article to "provide that a study be made and approved by the selectmen prior to expending the funds". Further discussion on this article, and its amendment was moved on a seconded motion by Marilyn Vagalebre.
It was voted to accept Article 18, as amended.

ARTICLE 19: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $12,500.00 TO PAY FOR PROFESSIONAL AND MUNICIPAL PLANNING SERVICES TO ASSIST THE PLANNING BOARD IN REVISING THE TOWN MASTER PLAN AND TO PROVIDE PLANNING ASSISTANCE.

ARTICLE 19: A motion made by John Walsh to accept this article as written was seconded. Selectman Walsh referred to Article 14 of the 1987 Town Meeting Warrant, and advised that the unexpended balance from last year's appropriation would be added to the amount requested in this article to continue work on the Master Plan. Robert Panton of the South Western Regional Planning Commission (SWRPC) spoke to the voters about the achievements to date and plans for the future. Mark Tanner spoke in favor of the work done by the Planning Board and SWRPC saying they were trying to preserve the quality of life in Rindge. Kim Sands, member of the Rindge Planning Board advised that some of the costs involved in this planning assistance are recouped by fees paid from people seeking subdivisions and the work done so far had helped to streamline the hearing processes.
It was voted to accept Article 19 as written.

ARTICLE 20: TO SEE IF THE TOWN WILL VOTE TO CREATE A WILDLIFE SANCTUARY ON MAP 10 LOT 46 AND MAP 10 LOT 47-19 AND ALSO CONTOOCOOK MEADOWS CONTAINING 60 ACRES MORE OR LESS WHICH WAS DONATED TO THE TOWN FOR THIS PURPOSE AND TO AUTHORIZE THE POSTING OF NO HUNTING SIGNS.

ARTICLE 20: A motion made by John Walsh to accept this article as written was seconded. Selectman Walsh advised that the land in question had been given to the Town by Private Properties, Inc. with the stipulation that it be posted, however town property cannot be posted without approval at Town Meeting. William Champion asked if there would be any cost to the Town on this parcel, and was advised that the only costs involved would be the cost of the "no hunting" signs. The was lengthy discussion, provoked by angry hunters who did not want to see the land posted and John Weidner asked for the Conservation Commissions' view on this article. Robert Shepherd, speaking for the Commission, advised that their board was in favor. David Wilson reminded voters that since the property was given with the stipulation that it be posted, if a negative vote occurred, the property would revert back to Private Properties, Inc. and they would post it, so regardless of the action taken, the land would be posted as no hunting. Mark Tanner made a motion to move the question which was seconded and carried.
It was voted to accept Article 20 as written.

ARTICLE 21: TO SEE IF THE TOWN WILL VOTE TO THE CLOSING OF MOUNTAIN ROAD TO THROUGH TRAFFIC FROM COLLEGE ROAD AT FRANKLIN PIERCE COLLEGE TO CLEAVES ROAD, EXCEPT FOR EMERGENCY VEHICLES.

ARTICLE 21: A motion made by David Heikkinen to accept this article as written was seconded. Selectman Heikkinen explained that this article had been included at the suggestion of many of the Mountain Road residents who are concerned for the safety of their children. The road has been patrolled and posted at a lower speed limit, but the problem has not been solved. Brenda Dean, a Mountain Road resident spoke to the voters saying the

College cannot maintain control over the students once they leave campus and that too many students were travelling too fast over a road which is too narrow, too bumpy and too winding to be safe at high speed. Theresa Farley spoke in agreement. Martha Jones and Richard Burns, also Mountain Road residents advised that the police department had been doing an adequate job in patrolling the road and that closing the road would set a dangerous precedent in the future. Mr. Burns felt that perhaps changing the signs and their locations to increase visibility would help the problem, but advised that people who live on heavily travelled roads must take the necessary precautions to ensure the safety of their children, property and pets. Dale Thompson made a motion to table the question, which was seconded and carried.
Article 21 was tabled with no action taken.

ARTICLE 22: TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF $5,000.00 TO THE CONSERVATION FUND AS AUTHORIZED BY R.S.A. 36-A:5 AND AUTHORIZE THE SELECTMEN TO ACCEPT PRIVATE DONATIONS OF LAND, INTEREST IN LAND OR MONEY TO BE DEPOSITED INTO THE CONSERVATION FUND FOR THE PURPOSES CONTRIBUTING TO THE LOCAL MATCHING PORTION REQUIRED FOR ACQUIRING CONSERVATION LAND OR INTEREST IN LAND AND OTHER COSTS ASSOCIATED THEREWITH FOR PERMANENT CONSERVATION USE UNDER THE N. SAID APPROPRIATED OR DONATED FUNDS AND STATE MATCHING FUNDS MAY BE EXPENDED BY MAJORITY VOTE OF THE CONSERVATION COMMISSION. (BY PETITION)

ARTICLE 22: A motion made by David Heikkinen to accept this article as written was seconded. Robert Shepherd of the Conservation Commission advised that in addition to the members of the Conservation Commission, a task force consisting of John Walsh, Dale Thompson and James Jenkins would be involved with this program.
It was voted to accept Article 22 as written.
